TO OUR VALUED SUPPORTERS and Friends of Middletown High School North,

ADOPT A BANNER PROGRAM IS FINALLY UNDERWAY

As you know, The Middletown High School North Booster Club is the non-profit organization that financially supports all of the athletic programs and student activities at Middletown High School North. We provide financial support for athletic and academic clubs and also award college scholarships to graduates each year. Our funds are primarily raised through food stand sales at athletic events, a major 50/50, our year-round Athletic Stadium Billboards our Fall Sport 'Activities Ad Book', and NOW our newest item the MN/Lion Banners that can be seen around the school on the utility poles on Tindall Road.

We are now offering Advertising Space on these banners, on a first come first serve basis to our current Billboard Sponsors.

Be one of the first to have your company name added to the new banners that have been placed on the utility poles on Tindall Road in front of the school ~ while space is still available.

Attached for your use, is the application form for the new Banner Ad space that should be returned as soon as possible. With your generous help we will continue to provide the recognition and support our students and athletes deserve, and in return you are letting the Middletown community know that they have your support!

If you have any questions, please feel free to call Jim Savarese at 732-266-1518, or email response to us thru our website, or call me at 732-671-3378 and Thank You in advance for your support.
